ONLINE SCHOOL®

## Choose What Works For You

### Elementary & Middle School Semester Courses

FOR GRADES K-8

#### TRADITIONAL SCHOOL AT HOME

Elementary and middle school students take 5-6 courses each semester, with scheduled breaks (fall, winter, spring, summer). Students can transition easily from traditional school to Primavera with this schedule.

### High School Trimester Courses

FOR GRADES 9-12

#### STEADY AND FOCUSED EDUCATION

Over a 12-week period, full-time students take 4 trimester courses, while part-time students can take up to 2 courses. Trimester courses help students stay better focused throughout the school year with fewer classes and have benefits of traditional courses, like holiday breaks.

### Credit Recovery & Summer School Courses

FOR GRADES 9-12

#### CREDIT RECOVERY PROGRAMS

Primavera's credit recovery and summer school courses are offered for students who need to catch up on credits, retake a class and get ahead quickly, while still attending their traditional school. Students can enroll in 6-week accelerated courses during certain times during the school year and 4-week summer school courses.
